

## A New Look For R&R!

We had a lot of fun touching up our office this past Spring. We refreshed it with our new paint colors, accents, vinyl trim, and artwork, and installed a cut-out of our signature hardhat. Project Manager Bob Peterson was our designer, and he did a terrific job helping to display our brand throughout our offices.

Keep an eye out for the new look on our website as well as our trucks and signs around town!

## What's Happening Now

Our crews have just finished up a new **Wendy's** restaurant and **Brake Masters** shop, both on Cerillos Road in Santa Fe, NM. R&R is also back at the **Gallup Social Security Administration Building**—which we built a number of years ago—performing tenant improvements.

By the time you get your next issue of the *Hardhat Digest*, the new **Bernalillo County Animal Care and Resource Center** will be open for business and serving the South Valley of Albuquerque.

And, as summer approaches, we are gearing up for the **22nd Annual Pete Leyva Memorial Golf Tournament** in September. Look for more details online at [www.HeadacheFreeConstruction.com](http://www.HeadacheFreeConstruction.com).

# Hap Richardson Serves As AGC NM President

R&R's president, Hap Richardson, has been busy serving as the 2018 President of the Associated General Contractors New Mexico Chapter. Hap had the honor of hosting the AGC Best Buildings Awards on March 23, 2018 at the Sandia Resort and Casino. Congratulations to all the winners! It's been about 30 years since Hap served as AGC NM President—the last time was in 1987. He's since gained AGC Legend status and is enjoying serving the organization again.
